INFORIA TechSummit Hackathon 2K26 – General Guidelines

Theme: Innovate for Real Impact

About the Hackathon

Welcome to the INFORIA TechSummit Hackathon 2K26, an innovation-driven competition designed to encourage students to solve real-world problems using technology, creativity, and teamwork. This hackathon provides participants an opportunity to transform innovative ideas into working prototypes, collaborate with peers across disciplines, and present solutions before an expert judging panel during the final offline round.

Important Timeline
