INFORIA TechSummit Hackathon 2K26 – General Guidelines

Theme: Innovate for Real Impact

About the Hackathon

Welcome to the INFORIA TechSummit Hackathon 2K26, an innovation-driven competition designed to encourage students to solve real-world problems using technology, creativity, and teamwork. This hackathon provides participants an opportunity to transform innovative ideas into working prototypes, collaborate with peers across disciplines, and present solutions before an expert judging panel during the final offline round.

Important Timeline

Event	Date
Registration Opens	16 March 2026
Idea Submission Deadline	28 March 2026
Shortlisted Teams Announcement	29 March 2026
INFORIA TechSummit Event	1, 2 & 3 April 2026

Themes for Participation

- Smart Campus
- Artificial Intelligence & Emerging Technologies
- Social Impact
- Healthcare Innovation
- Sustainability & Green Technology
- Student Innovation & Productivity

Program Structure

Phase 1 – Registration: Teams must complete their registration through the official form before the deadline.

Phase 2 – Idea Submission: Teams must submit their idea in PowerPoint format including Problem Statement, Proposed Solution, Target Users, Workflow/Approach and Expected Impact. Presentation should be 5–7 slides.

Phase 3 – Offline Final Round: Shortlisted teams will present their prototype during INFORIA TechSummit. Presentation time: 6 minutes presentation + 4 minutes jury interaction.

Eligibility Criteria

- Participants must be students of IES College or IES University.
- Team size must be 3 to 5 members.
- Each team must include at least one female member.
- Inter-branch teams are allowed.
- A participant cannot be part of more than one team.

Evaluation Criteria
• Innovation and Creativity
• Problem Relevance
• Feasibility and Technical Viability
• Prototype Quality
• Presentation Clarity
• Practical Impact

Submission Guidelines
• Only one submission per team is allowed.
• All submissions must be original and plagiarism-free.
• Presentation must be uploaded before the deadline.
• Late submissions will not be considered.

General Rules
• Each participant can join only one team.
• Teams must maintain professional conduct.
• Any form of plagiarism will lead to disqualification.
• The decision of the jury will be final and binding.

Important Notes
• Fill all registration details carefully.
• Verify team information before submission.
• Participants should join the official communication channel for updates.

Registration Fee:- ₹350 per team.
